Banbury Camera Club

A warm welcome for novice and experienced photographers of Banburyshire

Banbury Camera Club - Newsletter No 12.

Its a while since I sent out a Newsletter. I thought there was little happening or information was sent out individually by email, but I appear to have quite a list. The email system using Google Groups is working OK now allowing any member to send an email to the whole membership, but please use it sparingly. If you want to chat on-line, or share photos etc. please use our Facebook group at https://www.facebook.com/groups/113613562135878/

Exhibition & website

The Exhibition is almost upon us with hanging this Saturday. I've put a selection of images into a gallery on our website at http://banburycameraclub.org.uk/programme-2014-2015/exhibition-2014-gallery/

More Exhibitions

Soon after we put all our frames back into the dark room there will be not one but two RPS exhibitions coming to Banbury

- *RPS International Images for Science Exhibition* in “our own” Michael Heseltine Gallery from 6th November to 12th December
- *RPS International Print Exhibition 157* at Banbury Museum & Art Gallery from 22th November to 10th January

We are discussing the possibility of having a “club day” for each when we will view the exhibition, then meet up to discuss what we've seen. We find that we get much more out of the visit than just going on a solo viewing. Dates under consideration are 7 December at Chenderit and 22 November at the Museum. More information later – or have your say by letting us know a preferred date.

PermaJet Day

I had an email invitation to a PermaJet (or P*****Jet as Chris Palmer said) day on 29th November. As the event is in Stratford-upon-Avon and I use their paper I signed up. See the details at https://www.permajet.com/openday

PAGB Awards Workshop

The Chiltern Association of Camera Clubs in conjunction with the Photographic Alliance of Great Britain will be running a workshop for those working towards a PAGB distinction. Although it is not until March you can reserve you place now. See PAGB Workshop for details.

Banbury Camera Club

A warm welcome for novice and experienced photographers of Banburyshire

Badby Challenge Cup

We hope to have an entry in this inter-club PDI competition which will be held in Northampton on 29th October. Any member wishing to attend can and may contact me for details and/or lift share.

Colin Harrison at Buckingham

Buckingham Camera Club have invited any member of Banbury Camera Club to see/hear this excellent photographer. Regrettably its the same evening as the Badby Challenge Cup. See details here

Cinemagraphs

One of our members has expressed an interest in these images which are still images seen on screen with just a small element moving. Some examples can be seen at http://www.hongkiat.com/blog/cinemagraph/ . Does any member have any experience in this kind of work?

Bedroom Farce

Its this week in Banbury. There are some tickets left. Come and see it!

Best Wishes
