

# BANBURY Camera Club

## 2021 to 2022 Season

Founded in 1946, Banbury Camera Club still maintains its original aims—to bring together all those in the Banbury area who are interested in photography. Whatever your standard, equipment or interests, you will be very welcome at our meetings. If you have purchased a new digital camera and are wondering how you can get the best from it, then look no further!

### Digital or Film—Home Printing or Minilab

Our members are interested in all forms of photography. While most of us use single lens reflex (DSLR) or compact digital cameras, some members still use film (35mm) medium and large format, and even pinhole cameras. Mobile Phones, and the new mirrorless cameras are coming into usage now too. Most members use home computers to organise and process their images, making their own prints or having them made in minilabs or via on-line producers.

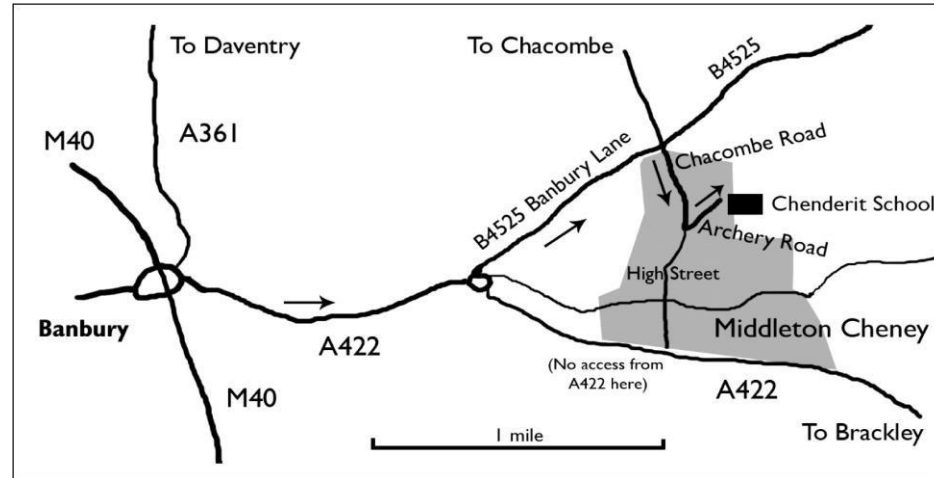

### At Chenderit School Arts College

We are very fortunate in having access to excellent facilities for practical photography at Chenderit. There is a superb digital imaging suite with computers (PC and Mac), scanners and a fully equipped darkroom with six enlargers. We have our own Lottery-funded digital projector. Hence the club offers opportunities for individual or group use of the extensive facilities, with experienced members offering advice or support, particularly through our regular practical evenings. So whether it is learning to use your camera, improving your holiday pictures for the family album, producing exhibition prints, photo books or audio visual sequences, or simply enjoying other people's photographs, we hope that Banbury Camera Club has something for you.

### Winter and Spring Programmes

From September to May we meet each week at 7.30 p.m. on Monday evenings. The Programme includes:

- ◆ Visiting Speakers and exhibitions;
- ◆ Discussions and advice sessions;
- ◆ Sharing of members' printed and projected images;
- ◆ Competitions for members and with other clubs;
- ◆ Practical sessions including studio work, darkroom and digital imaging demonstrations and tuition and photo appreciation.

**How to find Banbury Camera Club**  
Leave Banbury on Hennef Way and go to the M40 roundabout. Take the third exit, for Middleton Cheney and Brackley, the A422.

At the next roundabout take the first exit to the B4525. After just under a mile turn right towards Middleton Cheney onto Chacombe Road.

After about a quarter of a mile turn left onto Archery Road. Go to the end of Archery Road and park in the Chenderit School car park. You are then just a few yards from our meeting rooms in the art rooms, dining area or lecture theatre: follow the signs.

Post code for sat nav is OX17 2QR.

The full programme is summarised on the other side of this leaflet. More information will be available ahead of meetings and through our website.

### Annual Exhibition—Show your photos

The Annual Exhibition of members' images is held at the [Heseltine Gallery](#) at Chenderit School. Each member can enter up to three prints in this exhibition, which will be open to the public from Tuesday 2<sup>nd</sup> November to Thursday 11<sup>th</sup> November including the weekend of 6<sup>th</sup> and 7<sup>th</sup> November.

All prints are displayed in standard 40x50cm frames, while the photos can be of any size, using individually cut mount boards. Prints can be offered for sale, including in a hayrack, in aid of Katharine House Hospice.

### Summer Programme

From June to August, we meet less frequently with up to six outings to local places of general and photographic interest, and with a good hostelry.

### Links with Other Camera Clubs

Banbury CC is a member of Chilterns Association of Camera Clubs (CACC) and most of our visiting Lecturers and Judges are drawn from the CACC lists. We participate in CACC competitions and we have close links with other individual camera clubs in the area.

Two major CACC events each year are held at Amersham Community Centre, Chiltern Hill, Amersham HP6 5AH.

<b>Championship Day:</b>	To be decided
<b>Chilterns Rosebowl Days:</b>	November 4 <sup>th</sup> , December, 7 <sup>th</sup> 2021; February 21 <sup>st</sup> 2022
