

2026 to 2027 Member Season

Founded in 1946, Banbury Camera Club still maintains its original aims—to bring together all those in the Banbury area who are interested in photography. Whatever your standard, equipment or interests, you will be very welcome at our meetings. If you have purchased a new digital camera or smart phone and are wondering how you can get the best from it, then look no further!

Digital or Film—Home Printing or Minilab

Our members are interested in all forms of photography. While most of us use single lens reflex (DSLR) or compact digital cameras; some members still use film (35mm) medium and large format, and even pinhole cameras, mobile phones and mirrorless cameras. Most members use home computers to organise and process their images, making their own prints or having them made in minilabs or via on-line producers.

At Chenderit School Arts College

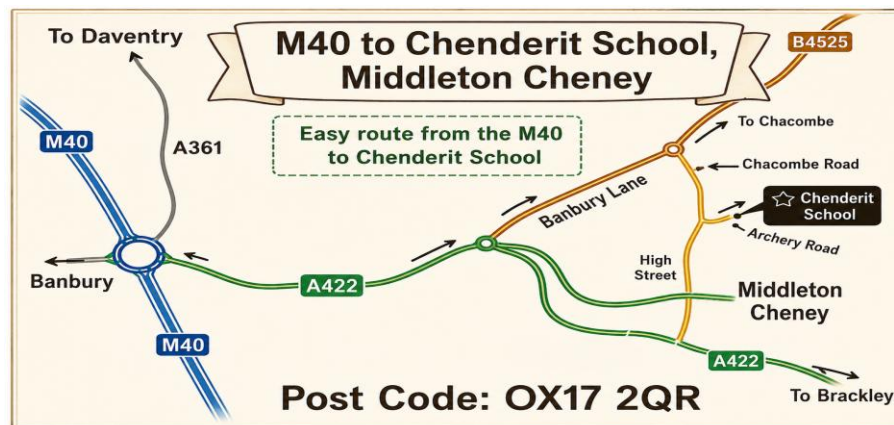

We are very fortunate in having access to excellent facilities for practical photography at Chenderit. There is a superb digital imaging suite with computers (PC and Mac), scanners and a fully equipped darkroom with six enlargers. We have our own Lottery-funded digital projector. Hence the club offers opportunities for individual or group use of the extensive facilities, with experienced members offering advice or support, particularly through our regular practical evenings.

So, whether it is learning to use your camera, improving your holiday pictures for the family album, producing exhibition prints, photo books or audio visual sequences, or simply enjoying other people's photographs, we hope that Banbury Camera Club has something for you.

Winter and Spring Programmes

From September to May we meet during term time at 7.30 p.m. on Monday evenings. The Programme includes:

- ♦ Visiting Speakers and exhibitions;
- ♦ Discussions and advice sessions;
- ♦ Sharing of members printed and projected images;
- ♦ Competitions for members and with other clubs;
- ♦ Practical sessions including studio work, darkroom and digital imaging demonstrations and tuition and photo appreciation.

The full programme is summarised on the other side of this leaflet. More information will be available ahead of meetings and through our website.

Annual Exhibition—Show your photos

The Annual Exhibition of members' images is held at the [Heseltine Gallery](#) at Chenderit School. Each member can enter up to three prints in this exhibition, which will be open to the public from **Tuesday 3rd November to Thursday 12th November including the weekend of 7th and 8th November**. All prints are displayed in club provided standard 40x50cm frames, while the photos can be of any size, using individually cut mount boards. Prints can be offered for sale, including mounted images in the hayrack.

Summer Programme

Although not officially meeting, we occasionally hold summer photography get-togethers which may include a good hostelry.

Links with Other Camera Clubs

Banbury CC is a member of Chilterns Association of Camera Clubs (CACC) and most of our visiting Lecturers and Judges are drawn from the CACC lists. We participate in CACC competitions, and we have close links with other individual camera clubs in the area.

Two major CACC events each year are held at Amersham Community Centre, Chiltern Hill, Amersham HP6 5AH.
